

## CHERRY GROVE GUIDELINES

Even Paradise Has Rules!

The sunsets are still glorious, the moon still shimmers on the ocean, and the waves still crash on the beach. But many other things are different...

Yes, the ferry is running. Yes, you are welcome. Yes, our businesses would love your support.

*BUT, paradise has some serious new rules to keep us all healthy and safe...for the duration.*

Everyone needs to know the rules, to understand, respect and follow them. It is not much to ask if we want to protect and preserve this paradise.

Join us in balancing safety with enjoying summer at the beach...

So here are THE RULES...

- ✓ **Masks are required in Cherry Grove if you will be closer than 6 feet to another person.** After discretionary warning, serious fines could be levied up to \$1000. It applies all the time-- even when you are walking or jogging.
- ✓ **Some restaurants are open, but for take-out and delivery only.** Alcohol can be sold with food— but not consumed on the walks.
- ✓ **There is Very Limited Availability of bathrooms around town. Only in certain take-out restaurants. There are no public bathrooms.**
- ✓ **The beach is still here...** However, social distancing is a must, at least 6 feet of space between groups, and groups must be small! Suffolk County Police as well as Town of Brookhaven private security will be patrolling the towns and beaches to enforce social distancing.
- ✓ **The ferry is running.** Masks are required for boarding and must be worn during the trip. As a common carrier, the ferry is not required to provide 6ft social distancing for passengers. They plan to adjust capacity and add ferries when necessary to provide space, but be aware that you board and ride the ferry subject to these conditions. If you prefer more space on your trip, you can call Sayville Ferry to review pricing and arrange for a "Special Ferry." 631-589-0810
- ✓ **Large outdoor gatherings are very strongly discouraged** and can result in a warning and possible fine.

If you have any questions about these rules, please visit [CGCAI.org](http://CGCAI.org) and send us an email.

**Paradise is Open - But Rules for Health and Safety Apply!!**

**So when you do come visit, please show some love and respect  
for the island we all LOVE.**
